

08th International Symposium on Turkey Diseases
Berlin, Germany 27th - 29th May 2010

First circular

Dear Colleagues,

The Institute of Poultry Diseases, Faculty of Veterinary Medicine, Free University Berlin and the German branch of the World Veterinary Poultry Association are planning to hold

The 8th International Symposium on Turkey Diseases
between May 27th to 29th 2010.

The program will cover the following topics:

- 1) Turkey diseases: Diagnosis and control
- 2) Management and health related problems
- 3) Animal welfare
- 4) Turkey meat and consumer protection
- 5) The influence of legislations on the turkey health and production

Presentations (15 min) should deal with one of the main topics of the symposium and cover new research data or recent field observations.

The official language is English. Simultaneous translation will not be available.

I would appreciate, if you can send this announcement and registration form to anybody interesting to attend.

I appreciate your soon response. For further questions please don't hesitate to contact me.

Sincerely

Prof. Dr. H. M. Hafez
